

Counting Apples — Free Worksheet · Kiddo.school

Count each row, fill the baskets with the right number of apples, trace the numbers.

Name _____

_____ Date

1. Count the apples in each row and write the number.

1.		
2.		
3.		
4.		

2. Draw apples in the basket.

The basket holds 5. Draw exactly 5 apples — then count to check!

First basket: draw 3.

Second basket: draw 5.

3. Trace the numbers.

3 -----	5 -----	10 -----	
--------------	--------------	---------------	--
